

# CLINICAL PASTORAL EDUCATION

*"Caring for the World Through Pastoral Education"*

## CPE Program

Clinical Pastoral Education is based on an adult model of experiential learning. It is about *change*, *transition* and *transformation* and involves peer and individual supervision as part of the action-reflection process. Supervisees covenant together so that growth and development occur in self-awareness, ministry competence, and theological understanding.

## Who Should Consider CPE?

- Those considering a call to chaplain or counseling ministry.
- Pastors who desire to develop additional pastoral care skills.
- Individuals desiring to be certified as a chaplain.

## CPEI Learning Objectives for CPE 100-400

- To develop self-awareness and how one's beliefs, attitudes, strengths, limitations, values, and assumptions affect one's pastoral ministry.
- To develop insights from the field of pastoral care and the behavioral/social sciences for providing care to others.
- To develop the ability to provide pastoral care to a diverse population of individuals and groups.
- To utilize individual and group supervision for personal and professional growth and the capacity to evaluate one's pastoral ministry.
- To develop the capacity to conduct spiritual assessments and appropriate pastoral interventions.
- To explore one's theological heritage and the impact it has on one's pastoral ministry.
- To develop the capacity to use one's personal and pastoral leadership and authority.
- To function appropriately within the bounds of ethical principles in the practice of one's ministry and as an advocate for persons in need.
- Effectively access one's peer group and CPE Supervisor for consultation and support.
