LEARNING TO RESPOND TO THE SPIRITUAL AND EMOTIONAL NEEDS OF EVERYONE WE ARE PRIVILEGED TO SERVE...

CPEI IS BOTH THANKFUL AND PROUD TO BE LEADING THE NEW GENERATION OF PASTORAL CLINICAL EDUCATION AND PRACTICE...

CLINICAL PASTORAL EDUCATION

is a practical complement to theological education that utilizes an inductive path to learning about change and healing in the human spirit. The CPE experience includes peer and individual supervision from a qualified Supervisor-Educator, with whom a broad variety of pastoral encounters are clinically reviewed. The CPE learning environment emphasizes mutual trust, respect, openness, and confrontation in the context of care and nurture. Students covenant together to learn and develop self-awareness, competence for ministry, and deeper theological understanding.
